- **Photo Album:** JPEG format with slide show function
- **Clock:** Real time clock with Alarm and Sleep function
- **Power source:** Li-Polymer rechargeable battery - 600mAh
Up to 8 hours of Internet Radio and Music streaming activities,
Up to 25 hours of MP3 playback, and up to 4 hours of Video playback
- **Charger:** Built-in charger via mini USB port
- **Connector:** 3.5mm stereo socket for earphones
- **External storage:** Micro SD card support (up to 2GB)
- **Supports:** Windows Media Connect and Windows Media Player 11 for uPnP Media Streaming functions

- **Certification/Regulation:** CE, WEEE, RoHS
- **Unit Dimension (mm):** 84 (L) x 63 (W) x 15 (H)
- **Giftbox Dimension (mm):** 138 (L) x 138 (W) x 51 (H)
- **Operating Temperature:** 0°C to +45°C

Accessories:

- Multi-language installation guide and manual CD
- EU power adapter (Optional)
- 1 pair of Stereo Earphones
- USB cable

SIDE Notes:

Sigmatel solution provides smooth video frame rate performances. Running at 384kbps with 24fps allows smooth video playback without any interruption or pause frame. Power consumption is also lesser allowing more CPU bandwidth and better performances. The Signal-to-Noise ratio is also higher providing clear playback audio.

**Optional Set Configuration

 **SENNHEISER**
Earphones Inside
 (Enquire to add Sennheiser Earphones)

Warranty Notice: *2 year Warranty
